CHRISTMAS LIGHTS TOUR THROUGH HASTINGS RANCH

Light up the night with a drive through the neighborhoods of Hastings Ranch. Upper Hastings Ranch has become one of the most popular areas for neighborhood outdoor Christmas displays. The practice began in 1957 whereby each block in the neighborhood would decorate their homes with some type of theme icon placed in the parkway, e.g., snowmen,

Christmas trees, Santas and reindeer, Peanuts cartoon characters, etc. You'll travel aboard our motorcoach through the labyrinth of homes to marvel at this remarkable display of holiday cheer.

includes a stop for hot chocolate at the Corner Bakery!
