## HOLIDAY GONDOLA CRUISE

Imagine cruising through the canals of Naples aboard authentic gondolas. You can do just that, right here in Southern California. As the sun begins to set, you'll travel to Long Beach where you'll board a fleet of romantic gondolas for a festive one-hour cruise through the canals of Naples and Los Alamitos Bay. Your gondolier will guide you slowly through the bay as you cruise past a myriad of floating Christmas trees, which have become a Long Beach tradition over the past twenty years. The nightly event features dozens of Christmas trees full of bright, twinkling lights floating aimlessly in the bay. As you cruise the canals of Naples, you'll pass under quaint footbridges and past elegant waterfront homes decorated for the holidays. (Cups, ice buckets and ice are provided on the gondolas should you wish to bring your own beverages on board.) The gondolas seat anywhere from 6 to 14 passengers each and the fleet can accommodate a maximum of 52 passengers.
