

HEALING HORSES

Journey to San Diego for this amazing NEW day tour! You'll be greeted by your knowledgeable guide Visit the San Luis Rey Training Center that has reopened after being devastatingly damaged by the Lilac fires last year. You'll visit the stables, the horse training center and much more. Then, you'll head to Healing Horse, to learn about the incredible therapeutic work they do with horses that include meditation, self-reflection for personal and spiritual growth. You'll also make a stop at Myrtle Creek Botanical Gardens, take a scenic drive of Bonsall and lunch is included on this tour!
