

JULIAN APPLE HARVEST TOUR

JULIAN: THE APPLE CAPITAL OF SAN DIEGO COUNTY

Crisp cool nights and graciously warm sunny days herald the coming of fall as apple and pear harvests begin. The leaves grow golden, breezes quicken and the cider presses begin turning just-picked apples into fresh squeezed juice! The afternoon is free to wander about the small streets of the quaint turn-of-the-century mining town. You'll discover charming handcraft shops, boutiques, country inns, and the Julian Pioneer Museum. Don't miss taking a peek inside the historic 1897 Julian Hotel and the Julian Drug Store with its old-fashioned soda fountain, which still serves sparkling sarsaparilla. And in the fall, you'll find apple barns brimming with fresh-picked apples, just-made jellies, apple pie and more. If you want to take a pie home, be sure to stop in at the Julian Pie Company to pick up one of the best homemade apple pies you'll ever eat.

DUDLEY'S BAKERY

A special stop will be made at famous Dudley's Bakery for those who wish to purchase some of their wonderful fresh baked breads. From the ordering lines at Dudley's, you can watch them making 15 kinds of bread, ranging from Danish apple-nut to cheddar cheese bread.

LUNCH AT THE RONGBRANCH RESTAURANT

Enjoy homestyle cooking at one of Julian's favorite dining establishments.
