PRIVATE GOURMET TUSCAN CULINARY EXPERIENCE AT THE CHEF'S STUNNING ROOFTOP PENTHOUSE

GUIDED TOUR OF LITTLE ITALY WITH A CHEF-PREPARED PRIVATE ROOFTOP LUNCHEON AND VISIT TO THE LITTLE ITALY WEDNESDAY MARKET

Escape to San Diego for a thrilling adventure through time as you learn why the Italians traveled to San Diego in 1871 to the modern-day renaissance that is now Little Italy. Our knowledgeable guide, Anthony Davi, will take you through this amazing city with archival photos, hidden landmarks and stories from the Italians, who grew up in this beautiful neighborhood. You'll also visit Little Italy's newest year-round farmers' market, the Little Italy Wednesday Market. The market offers farm fresh produce, pastured eggs, poultry, meat, fish, bread, sauces, olive oil and more, all brought to the neighborhood by local farmers, fishermen and artisan food-makers. Enjoy the live music at the market that adds to the authentic Italian ambiance of the Piazza della Famiglia. This afternoon, you'll be treated to a private four course luncheon at a Tuscan chef's rooftop penthouse. Chef Giacomo was born and raised in a small Tuscan City called Prato. His passion for food started when he was a boy as he assisted his parents, Vasco and Gabriella with the restaurants that they owned. This authentic experience with Chef Giacomo will transport you to his beloved Italy. His rooftop penthouse is breathtaking and the perfect setting for a memorable dining experience that you will never forget!
