

Follow in the footsteps of your favorite ladies!
Let your inner **Carrie, Miranda, Charlotte or Samantha** out, with this one-of-a-kind girlfriend getaway in New York **City!**

Winos and
the **city**

Did you and your girlfriends love HBO's "Sex and the City?" If so, then this girlfriend getaway is for you!

WINOS (Women In Need Of Spoiling) Travel has prepared an amazing itinerary that any super fan would love!

Let us spoil and pamper you as we explore New York City!

Day 1 - Arrive in the Big Apple

The pampering begins upon arrival at JFK Airport (no later than 4pm). Your private car and driver will greet you at baggage claim and take you to the hotel. Your WINOS sommeliers will greet you upon arrival to help you check-in. Once all of our WINOS have arrived, we will have a welcome cocktail and introduction before heading to dinner via private cars. We will not be transferring via motorcoach on this tour! The ladies of our favorite show would frown upon it! You are in for a treat this evening. We will be dining at Carrie and Big's rehearsal dinner location. This trendy, upscale Chinese restaurant is located in the Meatpacking district.

Day 2 - Pampering and Broadway

Get ready for more spoiling today! We will start our day with a morning walking tour of Times Square, Rockefeller Center, Fifth Avenue, St. Patrick's Cathedral and other iconic sights. After your tour, you will have free time at Rockefeller Center to grab a bite to eat before we head to our hair appointments. Sit back and enjoy having your hair washed and blown out by a stylist, while you sip champagne or wine. You will feel fabulous for a night out on the town. Dinner will be included tonight as well as a Broadway show!!

Day 3 - The Ladies and the City

Today, we will follow in the footsteps of Carrie, Samantha, Charlotte, and Miranda – you'll drink where they drank, shop where they shopped, and gossip where they gossiped. This *Sex and the City* tour includes

more than 40 locations from the show! Whether you're a *Sex and the City* fan eager to learn more about your favorite show or a tourist looking for an entertaining way to see Manhattan's best neighborhoods, this tour is a must-do! After your tour, we will head to The Plaza for Afternoon Tea! For over 100 years, The Palm Court at The Plaza has been New York City's iconic destination for Afternoon Tea. Afternoon Tea truly shines, with a tea list of worldly depth, custom tableware and Bernadaud china made exclusively for The Plaza. The rest of the afternoon and evening will be on your own to explore the city! Paint the town red and have fun!!

Day 4 - One Last Night

Enjoy sleeping in! The morning and afternoon will be at your leisure to cross off items on your WINOS' Wish List. We want to make sure that you see and do the things that you want to do. This evening, you will get dolled up for our last night in the city! We will have a cocktail at Robert's located on the top-floor of the Museum of Arts & Design, overlooking Central Park and the Columbus Circle Fountains. Then, we will head to a local Italian institution in Midtown West. This restaurant was featured in *Sex in the City*, early in Carrie and Big's relationship, where Big serenades Carrie over dinner. Chris Noth, the real-life Mr. Big, is also a regular! Fingers crossed that we run in to him!

Day 5 - Farewell to Friends

We will bid farewell to new and old friends! Depending on your flight, your private driver and car will be awaiting your arrival in front of the hotel to take you back to the airport.
