*includes 3 experiences!*

**AVAILABLE SEPTEMBER 18 *thru* JANUARY 18**

## **MUMMIES: NEW SECRETS FROM THE TOMBS**

See the world premiere, only at the Natural History Museum of Los Angeles County. Get a rare, up-close look at a selection of over 20 mummies, richly decorated coffins, sarcophaguses, mummification tools, mummies of animals, and more, many of which have never been on public display. This is your group's unique chance to view one of the world's largest collections of mummies, peer inside their wrappings with CT scanning technology, explore their in-

credible tombs, and examine the similarities between how we live our lives today and the traditions of ancient civilizations that employed the fascinating practices of mummification.

## **THE NATURAL HISTORY MUSEUM**

Explore the permanent exhibits at L.A.'s premier Natural History Museum at Exposition Park. The new Dinosaur Hall is one of the most extraordinary dinosaur exhibits in the world, and the premier dinosaur experience in the western United States. Inside are more than 300 real fossils, and 20 complete dinosaurs and ancient sea creatures. One of the centerpieces of the exhibit is the T. rex growth series — the only trio of different aged T. rex specimens in the world.

## **L.A.'S ORIGINAL FARMERS MARKET**
