

The Sweet Life on Coronado Island

Discover the sweet life on San Diego's **Coronado Island!** A mere two-mile drive from cosmopolitan, downtown San Diego, across one of the world's most distinctive bridges, is Coronado Island -- a world away. A town rich in history, blessed with one of the finest beaches in the world and bathed in endless sunshine, Coronado is a vibrant beach community loaded with charm and some sweet surprises. The crowning glory of the island is the **Hotel del Coronado**, the Victorian masterpiece that is the only true beachfront hotel in all of San Diego. The Del, as the legendary resort is affectionately known, is a National Historic Landmark and is as impressive now as when the seaside resort was built in 1888. When you first arrive on the island, you will be **met by a local guide** as you set out on a tasty tour. It begins

with some narration about the history of San Diego, an explanation about the skyline before you, and information about the bridge to the island. You will then be led to three establishments at the Ferry Landing to **sample everything from BBQ to Italian and finishing with a mouthwatering gourmet cupcake**. From there, you will be led to a local brewery for a brief tour and beer tasting. Next, you'll continue exploring the island with a drive around Coronado along **Millionaire's Row** and ending at the Hotel del Coronado. Your guide will explain the history of the hotel, then you'll have some free time to explore it on your own. Finally, you'll make the short drive back to the **Ferry Landing** where you'll **board the ferry for a short cruise across San Diego Bay** to meet your motorcoach and driver to travel home.
