

Alien Adventure

Travel the EXTRATERRESTRIAL HIGHWAY to AREA 51 & Las Vegas!

3 Days & 2 Nights

Aliens, UFO sightings, a secret government testing facility and moonlike terrain. Is it any wonder that State Route 375 gained notoriety as the "Extraterrestrial Highway?" Aliens or not, the Extraterrestrial Highway is eerie and even though Area 51 doesn't "officially exist," armed guards will quickly tell you to turn around if you venture too close! Join us as we venture out with a local guide to see for ourselves. The tiny community of Rachel, known as "The Alien Capital of the World," is the only town along the lonely road and welcomes visitors from around the world who come in search of answers to the mysteries that lurk. The A'Le'Inn is the perfect place for a lunch stop and a chance to shop for souvenirs and hear tales of extraterrestrial sightings. Join us on this fun new tour to the outskirts of Las Vegas!
