

THE BEARS OF YELLOWSTONE

8 Days & 7 Nights

There's more to Yellowstone National Park than geysers. There's the serene beauty of **Hayden Valley**, rolling hills and clear streams bordered by broad meadows. There's the hush of **Yellowstone Lake** at twilight, a quiet broken only by the

splash of a rising trout, or the rustle of a mountain breeze blowing gently through the pines. It's a place where man is just a visitor – where each of us is offered an opportunity to experience the timeless wilderness like no place else on Earth. Enjoy eight breathtaking days and seven exciting nights on this fabulous trip to **Yellowstone National Park**. One of the highlights of the trip is the “**Yellowstone Bear World**” where you'll watch Grizzly and Black bears roaming free in a natural habitat. You'll be just a breath away as you drive through the park aboard your motor-coach to witness and photograph these magnificent animals and their cubs at play. This unique 8-day adventure also includes spectacular **Grand Teton National Park**. Join us on this adventure of a lifetime!
