

# Christmas at the White House

*A special tour with Abigail Adams at the Ronald Reagan Presidential Library and a Holiday White House Luncheon*

**E**xperience Christmas at the White House! This very special visit to The Ronald Reagan Presidential Library and Museum begins with a private, catered lunch featuring one of the menus used by the Reagans during their White House holidays. During the latter part of lunch, you will be joined by “Mrs. Abigail Adams,” wife of President John Adams and the first to live in the newly constructed “People’s House.” You’ll learn what it was really like for the first lady in the new 19th century and listen to her stories of our Founding Fathers. Next, you’ll set out on a **guided tour** to explore the library, including the current “White House in Miniature” special exhibit. This authentic recreation of the White House measures 50 feet long and 18 feet wide and will be fully decked out for the holidays! Taking over 600,000 hours of labor to create, the miniature is an amazing replica, showing visitors an intimate look into the White House - from the Lincoln bedroom to the Oval Office to tiny, working televisions to hand-carved chairs, tables and crystal chandeliers. Also on display is the Library’s annual holiday exhibit “Christmas Around the World,” featuring 30 trees beautifully decorated to represent cultures and traditions from countries, most of which President Reagan visited while in office, along with toy soldiers, trains, garland and Christmas music.
