

# Niagara Falls and Toronto by Rail

6 DAYS & 5 NIGHTS

September 14-19, 2010

A natural wonder thousands of years in the making, **Niagara Falls'** deafening roar and breathtaking beauty have been revered by generations of visitors as a source of wonder and awe. You'll **spend all five nights in the city of Niagara Falls**, known not only for its famous **Horseshoe Falls**, but also for its immaculate parks and recreational areas, fascinating historical and cultural points of interest, diverse restaurants, internationally recognized wineries, world renown theatre, and countless other attractions. You'll "soak" in the excitement and explore the falls aboard the "**Maid of the Mist**," view some of the wildest rapids from the White Water Walk, and **dine one evening overlooking the illuminated falls**. Another day, you'll board **Canada's VIA Rail** for a scenic journey to the city of **Toronto** where you'll spend some time discovering one of the most cosmopolitan cities in the world. And yet another day you'll cross back into the U.S. to spend a day exploring **Buffalo**.
