

# Pageant of the Masters

**with an overnight stay  
in Dana Point**

**2 DAYS & 1 NIGHT**

One of the summer's biggest box office attractions is the fabulous **Laguna Festival of Arts and Pageant of the Masters**. Your tour begins with a drive down to Dana Point where you'll check in to the lovely **Dana Point Marina Inn**. You'll have some time at the hotel before departure for picturesque **Laguna Beach**. Upon arrival, you'll have some time at your leisure to explore the **Laguna Arts Festival** where local artisans display their work. Dinner is at your leisure at the festival before taking your reserved seat in the outdoor amphitheatre for the evening performance of **"The Pageant of the Masters."** What is the Pageant? It's ninety minutes of "living pictures" - - incredibly faithful art re-creations of classical and contemporary works with real people posing to look exactly like their counterparts in the original pieces. The outdoor amphitheater, professional orchestra, original score, live narration, intricate sets, sophisticated lighting, expert staff, and hundreds of dedicated volunteers have won recognition for the Pageant as the best presentation of its kind. In this unique outdoor show, you'll see great works of art posed by actors and actresses. Using acrylic paints to deflect stage lighting, artists apply innovative make up on models who must remain motionless for up to a minute and a half during the performance. Every year, more than 200,000 wide-eyed spectators "ooh and aah" at the unusual presentation of live model art. After the show, you'll return to Dana Point for a restful night. Breakfast is included the following morning before return to Laguna Beach to spend some time at the **Sawdust Festival** where you'll find a wide variety of handicraft booths selling reasonably priced jewelry, pottery, art, clothing, and food! A final stop on the way home at **Rogers Gardens** rounds out this spectacular summertime overnight tour.
