## **YELLOWSTONE NATIONAL PARK AND MT. RUSHMORE**

### **11 Days & 10 Nights**

**M**ount Rushmore National Memorial represents the achievements of the United States personified by four early leaders: Washington represents the founding fathers; Jefferson, the Declaration of Independence and the Louisiana Purchase; Lincoln, the preservation of the Union; and Roosevelt, the continuing conservation of natural resources. Yellowstone National Park highlights thousands of thermal features created long ago by one of the world's largest volcanoes. The Teton Range of the Rocky Mountains exhibits an overpowering display of glacier-formed canyons amidst high mountain forests, lakes and rivers. Combine these three national treasures with attractions such as the Buffalo Bill Museum, Devil's Tower National Monument, Crazy Horse Memorial and Jackson Hole, and you'll return with countless photos and memories to last a lifetime.
