

# Play & Stay in Monterey!

4 Days & 3 Nights

Few places on earth can live up to their own mythology, but Monterey is a notable exception. No matter what you've heard or seen in feature films, nothing can prepare you for the jaw dropping beauty along Monterey's fabled coast and village-like pedestrian thoroughfares. John Steinbeck was a frequent visitor, and drew considerable inspiration from area landmarks including Cannery Row which he helped to immortalize in his novel of the same name. Join us for an **ALL NEW 4-day trek to play and stay in Monterey**. You'll see the sights aboard the **Monterey Scenic Movie Tour**, a three-hour adventure that takes place aboard a multimedia Theater-On-Wheels® – a customized

luxury motorcoach with high-back seats, overhead video screens and personal headsets. As you glide past sites made famous on the big screen, you'll hear behind-the-scenes stories of Hollywood glamour. Visit **Vision Quest Ranch**, a sanctuary for animals that have been featured in movies and television. **Ride a steam train to Santa Cruz**. And much, much more including a chance to purchase locally grown artichokes and garlic!
