You'll drive your imagination as you explore two of Southern California's museums dedicated to the automobile! Your day begins in El Segundo at the

AUTOMOBILE DRIVING MUSEUM, the premier destination for car enthusiasts! Here you'll see more than 130 vintage and antique automobiles on display. We'll continue our tour down Memory Lane with LUNCH AT MEL'S DRIVE-IN. This 50's-style diner in West Hollywood offers all your favorite comfort foods amidst a setting of memorabilia from yesteryear. The last stop of the day is the PETERSEN AUTOMOTIVE MUSEUM. This \$40-million museum is dedicated to our obsession with the automobile.
