

Rockin' with the Ages

with Lunch at the Hard Rock Cafe in Hollywood

Calling all swingin' seniors! "Rockin' With the Ages" is back and better than ever! A group of talented seniors, 60-90 years young, take to the stage to present the music of the 50s, 60s and 70s in a heartwarming tale. The message is to make your dreams a reality and don't stop until your dreams are fulfilled. And, this fantastic group of performers shows us that by example. This show will have you dancing in the aisles! To make the day even more fun, we've added a stop for lunch first at the new Hard Rock Cafe, located at the Hollywood & Highland Center, beside the world-famous Kodak Theater, and just steps away from Grauman's Chinese Theater and Hollywood's starry Walk of Fame. If you enjoy the "Palm Spring Follies" then you will absolutely fall in love with "Rockin' With the Ages!"
