

WONDER VALLEY

Ranch Resort

California's Oldest Dude Ranch!

Your choice of either 3 Days & 2 Nights OR 4 Days & 3 Nights

From the moment your group pulls up to the gates of Wonder Valley Ranch Resort's scenic foothill grounds, the fun begins and never stops throughout each day and night of your stay. And while the 75-acre facility offers beautiful surroundings and endless activities, the ranch resort makes the perfect base for many exciting side trips to locations in the area. Many groups make the shady grounds of Wonder Valley a "destination" by itself, as the resort offers plenty to see and do. Stroll our tranquil grounds, sit by the fire and chat, or enjoy one of a variety of programmed activities offered. The varied side trips available are another great reason for making Wonder Valley your next destination. These daily excursions away from the Ranch may include Sequoia and Kings Canyon National Parks, the "Turn of the Century" downtown area of Reedley, or trips to the majestic Kings River, Pine Flat Dam, antique shopping in Clovis, a tour of Kingsburg's Historic Swedish Downtown, or a walk through the intricate maze of tunnels and living rooms at the Forestiere Underground Garden. Most tours to Wonder Valley have special themes. Some are based on the time of year and others on the type of entertainment being provided. Tours staying three nights or more will be treated to a special theme event that changes each year.
