

YOSEMITE NATIONAL PARK

with two nights at the Chukchansi Gold Resort & Casino

3 Days & 2 Nights

On June 30, 1864, Abraham Lincoln set aside Mariposa Grove in Yosemite Valley as California's first state park. Twenty-six years later, Yosemite became a National Park. The colossal landscape was carved by glaciers and streams from the western slopes of the Sierra Nevada Mountains into a region of unusual beauty and grandeur. You'll stay two nights just outside the park at the spectacular CHUKCHANSI GOLD RESORT & CASINO in the nearby community of Coarsegold. On this tour, you'll have the best of both worlds as you explore the park by day and enjoy casino action by night!
