# FABULOUS FOUNTAINS AND FLOATS

ALL DAY GUIDED TOUR TO SEE SOME OF SOUTHERN CALIFORNIA'S MOST BEAUTIFUL FOUNTAINS!

Los Angeles is home to many diverse, artistic, fascinating, and historically important fountains. Some of the fabulous fountains you'll encounter on this fun tour include a flying teapot, a touching 9-11 memorial, American youth rising above the waves, spitting swans and even the story of a lost fountain rediscovered. While they come in all shapes and sizes — sometimes just a slight trickle to a cascading flow to a gushing geyser — what they all have in common is each brings life and energy to its surroundings and its visitors. Lunch is on your own at one of the many eateries at The Americana at Brand, a local favorite dining complex in Glendale. The day is capped off when we stop at the 1915 Fair Oaks Pharmacy Soda Fountain. With its oak doors, embossed glass, marble counters, tin ceilings, honeycomb tile floors and original period soda fountain equipment, this blast from the past will treat you to one of their delicious **root beer floats!**
