BEAUTY AND THE BEACH

GUIDED TOUR TO SOME OF THE GALLERIES AND OTHER GEMS ALONG THE COAST

We start our day at The Getty Villa, a gorgeous estate built by J. Paul Getty. Perched on a bluff overlooking the Pacific Ocean, its exquisite setting of Roman-inspired architecture, gardens and ocean breezes offer the perfect way to enjoy a Sothern California afternoon. The Villa of the Papyri at Herculaneum inspired the museum's classical architecture and landscaping. The villa has a vast library and enormous collection of works from Greek, Roman, and Etruscan civilizations. You can view 44,000 antiques dating as far back as 6,500 BCE. You will have approximately 3 hours to examine the historical sculptures, browse the galleries and gardens and enjoy lunch on your own at the Villa's café. Next, we will cruise Pacific Coast Highway and the beautiful Malibu coast which boasts 21 miles of scenic beauty and hear the colorful history of Malibu. Lastly, we will arrive at the world class art gallery complex known as Bergamot Station. The property dates to 1875 when it was a stop for the Red Line trolley running from Los Angeles to the Santa Monica Pier. An abandoned lot for decades the City of Santa Monica conceived of an artistic use for the old Bergamot Station that would retain its industrial and rustic look. Since its launch in 1994, Bergamot Station has become a popular destination for visitors from around the world.
