EXPLORE THE INTERNATIONAL CUISINE SCENE IN L.A. WITH CURT TUCKER

Join us on a culinary adventure around the globe! Food is the lens through which many travelers understand the world. On our International Food Tour of Los Angeles, we'll be joined by Curt Tucker as we set out to taste our way around the world discovering lively and vibrant neighborhoods and some of the best ethnic cuisine. You'll experience firsthand what happens when great food meets culinary creativity. We start the day with a visit to a legendary Cuban bakery where the specialties include guava cheese rolls and potato balls. In Glendale we will visit a Filipino restaurant where the family's fried chicken recipe has been pleasing guests since 1945. We will sample dumplings known as khinkali. These delicious bite dumplings are the national dish of the Republic of Georgia. At a Tibetan and Nepalese restaurant, we'll savor their Himalayan cuisine featuring the freshest ingredients like black cardamom, jimbu, ginger, cumin, ajwain, timboor, turmeric, saffron and sesame. If you are a Thai food lover, you will enjoy a traditional Thai chicken skewer with peanut dipping sauce and Thai sticky rice. We top off the day off with a truly unique ice cream experience where the star of their menu is their trademarked Milky Bun. It's what happens when a warm donut is stuffed with cool ice cream! At the end of your tour, you'll have sampled some of our city's most delicious dishes and gained a better understanding of our diverse culture and history.
