The Manji Family comes from a long tradition of serving the local community. Their Foundation was created with a goal of empowering children by extending support to the most remote areas, where the poorest families live. The Foundation builds permanent school facilities, dormitories, provides uniforms, school supplies, nutritious meals, safe drinking water and so much more. They also help the homeless by home-cooking 350 meals every week, which are personally delivered around the community by the family members every Sunday. Mayflower is proud to partner with this family that is selfless in providing monetary and emotional support to others. To aid their Foundation, a \$50 donation on your behalf will be made.
