# THE NETHERCUTT COLLECTION

## THE NETHERCUTT COLLECTION

The Nethercutt is actually two museums. The original Nethercutt Collection spans four floors in the original facility. On your guided tour, you'll see one of the world's most outstanding assortments of beautifully restored antique, classic automobiles. They are showcased in an exquisite re-creation of an opulent automotive grand salon of the 1920's and 1930's. An amazing collection of automobile mascots, antique furniture, clocks and watches, and one of the world's finest collections of Mechanical Musical Instruments are displayed in the music room. After your tour, you'll have time to explore Mr. Nethercutt's second museum. This 60,000 square-foot structure highlights the man's love for vintage cars with more than 130 of these fully restored beauties on display. This part of the tour is self-guided.
