

# RONALD REAGAN PRESIDENTIAL LIBRARY

## THE RONALD REAGAN PRESIDENTIAL LIBRARY

The day is yours to explore the museum and relive the events that shaped history during Reagan's eight years in the White House. You'll share President Reagan's dream and learn how he led America toward it. The state-of-the-art museum takes you from Reagan's early years to his time spent as a world leader. You'll quickly learn that the cupboards and cabinets of Presidential history contain more than official documents. There are also chess sets and tea sets; pillows and portraits. Received as gifts, these objects are tokens of respect and affection offered to the nation's Chief Executive. You will also have the opportunity to observe the final resting place of former President Reagan at the library and touch a piece of the Berlin Wall. Docent guided tours and audio-guided tours are available for an additional cost.
