L.A.'S PREHISTORIC PAST

GUIDED TOUR OF L.A.'S PREHISTORIC PAST

Join our expert L.A. guide, John Daugherty, as he takes you back in time to the days when dinosaurs roamed Los Angeles! The tour begins at the Music Center in downtown Los Angeles, and continues down Wilshire Boulevard and beyond.

NATURAL HISTORY MUSEUM

Encounter dinosaurs, experience nature, explore the dioramas, marvel at one of the most impressive gem and mineral collections in the world, and discover how Los Angeles came to be. There is also a butterfly pavilion and nature gardens to explore.

THE LA BREA TAR PITS & MUSEUM

Located in the heart of metropolitan Los Angeles, the La Brea Tar Pits are one of the world's most famous fossil localities. Explore the world's only active, urban Ice Age excavation site. Inside the Museum showcases the best fossils, animals, and plants that have been discovered here — mammoths, saber-toothed cats, dire wolves, and more. Outside, check out the La Brea Tar Pits where tar is still bubbling and active fossil excavations continue.

L.A.'S ORIGINAL FARMERS MARKET

The Original Farmers Market is one of L.A.'s most treasured landmarks and a destination for food lovers worldwide. With more than 100 restaurants, shops and food vendors, this Los Angeles institution has been offering fresh produce, specialty foods and authentic ethnic cuisine to Los Angeles visitors and locals for nearly 80 years. Lunch is on your own at this popular place where you'll find every imaginable kind of cuisine.
